**BARRY J. CADDEN'S RESPONSES TO SAINT THOMAS ENTITIES'
FIRST SET OF INTERROGATORIES, REQUESTS FOR PRODUCTION,
AND REQUESTS FOR ADMISSION**

Pursuant to Rules 26, 33, 34 and 36 of the Federal Rules of Civil Procedure and Local Rules 33.1, 34.1 and 36.1, defendant Barry J. Cadden ("Cadden" or "Defendant") hereby submits the following objections and responses to Defendants, Saint Thomas West Hospital f/k/a St. Thomas Hospital; Saint Thomas Health; and Saint Thomas Network's (collectively the "Saint Thomas Entities") Interrogatories, Requests for Production, and Requests for Admission.

GENERAL OBJECTIONS

1. Defendant objects to these discovery requests to the extent they seek the production of information protected from disclosure by the attorney-client privilege and/or work product doctrine.
2. Defendant objects to these discovery requests to the extent they seek to impose a burden in excess of that allowed by the Federal Rules of Civil Procedure.

3. Defendant objects to these discovery requests to the extent they are vague, ambiguous, overly broad, unduly burdensome, not reasonably calculated to lead to the discovery of admissible evidence, and/or seek irrelevant information.

4. Defendant objects to these discovery requests to the extent that they seek information that is confidential and/or protected by HIPAA and/or other state and/or federal law.

5. Defendant objects to these discovery requests to the extent that they seek information that is confidential and/or competitive business information.

6. Defendant objects to these discovery requests to the extent the requests exceed the scope of discovery in this case by seeking information unrelated to comparative negligence.

Defendant reserves the right to modify and/or supplement these Responses, including but not limited to the General Objections and Responses and Objections to Requests for Admission, Interrogatories, and Requests for Production.
